INTERNATIONAL STUDENT RECRUITMENT(2025)

HUNAN MECHANICAL AND ELECTRICAL POLYTECHNIC

About Us

Hunan Mechanical & Electrical Polytechnic (HMEP) comprises nine secondary colleges (departments), including the School of Mechanical Engineering, the School of Electrical Engineering, the School of Automotive Engineering, the School of Economics and Trade, the School of Information Engineering, and the School of Intelligent Equipment and Manufacturing Innovation College. It offers one undergraduate program in Industrial Robot Technology (jointly cultivated with Hunan Agricultural University) and 32 full-time associate degree programs, such as Mechanical Manufacturing and Automation, Mechatronics Technology, Automotive Inspection and Maintenance Technology, Elevator Engineering Technology, and Industrial Robot Technology. Currently, the number of registered full-time students exceeds 15,000. In recent years, the institution has focused on enhancing its internal development and improving the quality of education. It prioritizes the training of technical and skilled graduates to meet the demands of the intelligent manufacturing industry chain, significantly improving its capacity to serve industry development. It has established a model for the characteristic development of "intelligent +" majors, becoming a benchmark for precisely serving local industrial development. The institution boasts a high-quality "dual-teacher" faculty, cultivating a large number of new-era maker craftsmen. Its educational advantages are evident, with distinctive features that have garnered widespread social acclaim. In 2024, HMEP obtained the qualification to recruit international students and enrolled 17 international students.

Programs

Teaching Schools	3-year Diploma Programs	Enrollment
School of Economics and Trade	International Business	25
School of Electrical Engineering	Mechatronics Technology	
School of Mechanical Engineering	Intelligent Welding Technology	
School of Vehicle Engineering	New Energy Vehicle Technology	

Application

Application time	Deadline of submitting application materials is June 15,2025.
Application requirements	<p>1.Applicants must be non-Chinese citizen above 18,in good health, holding valid passport, willing to abide by China's laws and HMEP's rules and regulations, showing due respect to China's social and cultural customs.</p> <p>2.High school diploma or certificate of equivalence.</p>

Application documents

1.A scanned HMEP application form.

2.A scanned copy of notarized original copy of academic transcript and high school certificate.

3.A scanned copy of passport information page (valid till Oct.30, 2026).

4.A scanned copy of physical examination form(valid till Oct. 30,2025).

5.A scanned copy of notarial certificate of non-criminal punishment (valid till Oct. 30,2025).

6.A passport sized electronic photo with white background.

7.An HSK4 certificate or IELTS 5.5/TOFLE 75 report.

8.A proof of finance guarantee of at least \$3000.

Application procedures

1.Submit all documents in PDF version.

2.HMEP reviews documents.

3.Issue admission letter and JW202.

4.Apply for student visa(X visa).

Fees

tuition fee	New Energy Vehicle Technology	CNY4600/year
	Intelligent Welding Technology	CNY5060/year
	Mechatronics Technology	CNY5060/year
	International Business	CNY3500/year
Accommodation Fee	CNY1200/year	
Residence Permit	CNY800/year	
Physical Examination	CNY600	
Insurance Premium	CNY800/year	
Text Book	CNY1000/year(charge according to actual amount)	

Registration Period

Sept. 20-30, 2025

Scholarship

Students can apply for a scholarship of CNY5000-8000 to cover tuition fee and accommodation fee once a year based on positive overall assessment.

Special Notes

1. Additional documents may be requested.
2. The hard copy of documents above shall be submitted for verification upon registration.
3. The medical examinations must cover all the items listed in the Physical Examination Form and bear "Health" result scripted by doctor. Any medical examination form with missing items, without the individual's photo affixed, photos lacking the official seal, without the physician's signed conclusions, lacking the hospital's signature and stamp, or with results exceeding their validity period will be deemed invalid.

Students from Different Ethnic Groups

Campus life is colorful. We are always open for creative ideas and support students' initiative and participation in academic lectures and competitions. We provide various clubs and organizations covering culture, art, sports, and other aspects, allowing students to develop their interests in their spare time. In addition, we regularly hold various cultural festivals and social activities to promote students' personal growth.

国际学生招生简章（2025）

湖南机电职业技术学院

湖南机电职业技术学院

2025 年国际学生招生方案

一、学校简介

学校设有机械工程学院、电气工程学院、汽车工程学院、经济贸易学院、信息工程学院、智能装备、智造创客学院等九个二级学院（部）。开设 1 个工业机器人技术本科专业（与湖南农业大学联合培养）以及机械制造与自动化、机电一体化技术、汽车检测与维修技术、电梯工程技术、工业机器人技术等 32 个全日制专科专业，现有全日制在校生 15000 余人。近年来，学校聚焦内涵提升，提升办学质量，重点培养智能制造产业链需求的技术技能人才，服务行业发展的能力明显提升，建成了“智能+ ”专业特色发展的样本，成为精准服务地方产业发展的典范，双师教师队伍素质精良，培养了一大批新时代创客工匠，办学优势明显，特色鲜明，广受社会赞誉。2024 年学校获得来华留学招生资质，并于当年招收国际学生 17 人。

二、招生专业

二级学院	招生专业（学制三年）	计划数
经济与贸易学院	国际贸易	25
电气工程学院	机电一体化技术	
机械工程学院	智能焊接技术	
汽车工程学院	新能源汽车技术	

三、申请条件

申请时间	申请材料提交截止日为 2025 年 6 月 15 日。
申请条件	1. 18 周岁以上、身心健康、品行端正的非中国籍公民，遵守中国政府法律和学校规章制度，尊重中国风俗习惯。 2. 获得高中毕业证书或同等学历证明。
申请材料	1. 申请表扫描件。 2. 经公证的高中毕业证及成绩单扫描件。 3. 护照个人信息页扫描件(有效期至 2026 年 10 月 30 日)。 4. 有效期 6 个月的体检报告扫描件（有效期至 2025 年 10 月 30 日）。 5. 有效期 6 个月的无犯罪记录证明扫描件（有效期至 2025 年 10 月 30 日）。 6. 白底证件照电子版。 7. 汉语水平 HSK 4 证书或英语雅思 5.5 分/托福 75 分以上成绩单。 8. 3000 美元以上金融担保证明扫描件。
申请流程	1. 提交 PDF 格式申请材料。 2. 学校审核材料。 3. 签发录取通知和 JW202 表。 4. 申办学习签证（X 签证）。

四、相关费用

学费	新能源汽车技术	4600 元/年
	智能焊接技术	5060 元/年
	机电一体化技术	5060 元/年
	国际贸易	3500 元/年

住宿费	1200 元/年
居留证	800 元/年
体检费	600 元
保险费	800 元/年
教材费	1000 元/年（据实结算）

五、报到时间

2025 年 9 月 20 日至 30 日

六、奖学金

学生在校学习达到考核要求者可每年向学校申请一次奖学金。奖学金金额约为 5000-8000 元。

七、注意事项

1. 特殊情况可能需要提供其它文件。

2. 学生入学时需提供以上所列文件原件。

3. 申请人应严格按照《外国人体格检查表》中要求的项目进行检查并有医生签署的“健康”结论。体检表中缺项、未贴本人照片、照片上未盖骑缝章、无医师签署检查结论、无医院签字盖章的、检查结果未在有效期的均无效。
